

10<sup>th</sup> February 2011

Dear ISPS member,

As the next ISPS conference to be held in Dubrovnik (31 May-4 June, 2011) is drawing near, it is time to send to all our members an announcement about relevant subjects concerning ISPS.

Attached you will find the proposed changes to our existing ISPS Constitution. The constitutional proposals will be voted for or against en bloc at the ISPS 2011 Formal General Meeting for our Formal General Meeting (FGM), which is to take place in Dubrovnik on Thursday 2 June, 2011. The FGM will be scheduled for 90 minutes and the exact time on Thursday and room location has yet to be announced.

Please now send in any items you wish to be placed on the agenda of the FGM.

Please respond to the above no later than 2<sup>nd</sup> March, 2011, as this will be three months prior to the FGM in Dubrovnik, which is in accord with our current constitutional requirements. Agenda items for the FGM are to be sent to Antonia Svensson and can either be through email ([isps@isps.org](mailto:isps@isps.org)) or surface (postal) mail. If you select the latter, please send your responses to:

Antonia Svensson  
Paktolou 7-9  
Ano Glyfada  
Athens, 16561  
Greece

Thank you for your active participation in the proceedings of ISPS. We hope to see you all in Dubrovnik.

Sincerely,

Brian Koehler  
Secretary, ISPS

Antonia Svensson  
ISPS International Organiser
